Military Department

Key emphasis for the ROTC program of our United States Army is applicatory training in leadership. Massanutten Military Academy is a Military Institute, one of thirty-one in the United States and a Department of the Army Honor School, the highest military honor that can be attained in the Military School's division of ROTC.

Objectives of the program at Massanutten are designed to stress the personal aspect of leadership. They are: to introduce the cadet to basic military subjects, to inculcate habits of orderliness and precision, to instill discipline and, thereby, respect for constituted authority, to develop patriotism, and to encourage a high standard of personal honor and deportment.

To facilitate the specific accomplishments of these objectives, the Army staffs the military department of MMA with one regular Army officer, four regular Army non-commissioned officers, and one Department of the Army civilian. Military training is integrated with the academic program to the extent that each cadet receives approximately ten hours of formal training per week.

General military science subjects are taught during the first two years of training. In his third and fourth years a cadet progresses to more complicated subjects and duties. For instance, in the third year of training emphasis is placed on Principles of Leadership. In his fourth year, as a senior cadet of a Military Institute, a cadet commences a practical application of what he has learned in the responsibilities of leader-

ship. He not only is required to function in positions of leadership within the Cadet Corps structure and organization but must become proficient in presenting classes and giving instruction to his classmates.

Every effort is made throughout the program to require each cadet leader to exercise responsibility commensurate with his rank. One of the methods employed with this goal in mind is holding the Cadet Officers responsible for the conduct and instruction of Dismounted Drill. In this manner a proper leader-team relationship is established with maximum initiative from both being required.

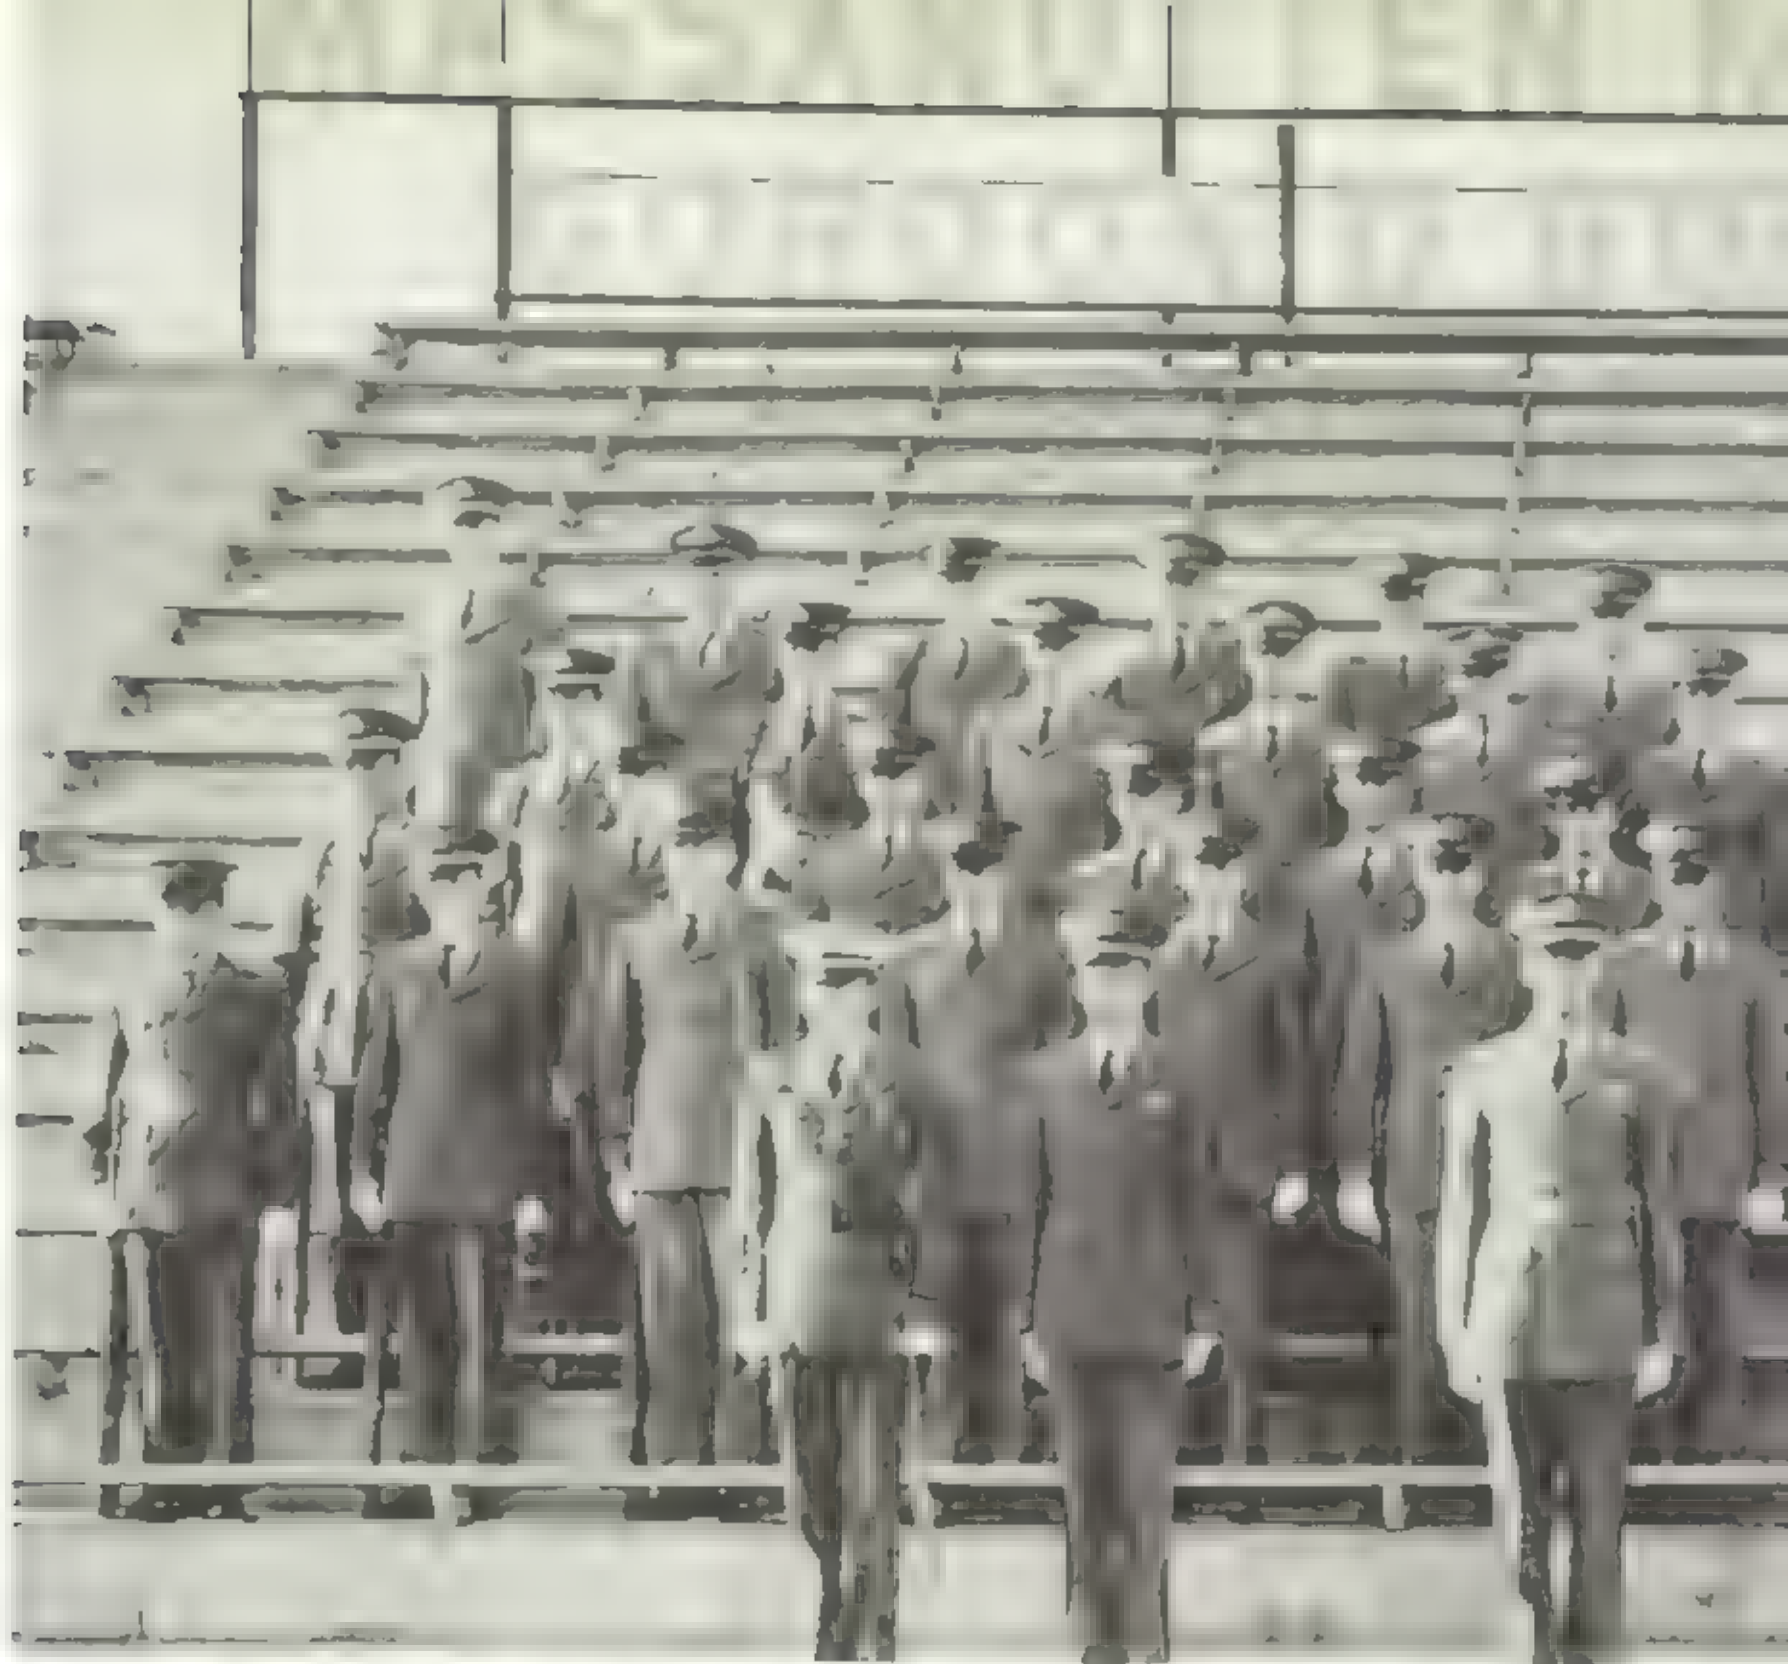

Among the many opportunities afforded is the distinct advantage of possible nomination by the academy for competitive appointment to one of the service academies. Each year, when the "Honor School" designation is attained, MMA is authorized to nominate three of its honor graduates or potential graduates to take the examination for each service academy: the United States Military Academy, the Naval Academy, and the Air Force Academy.

In the event a cadet enters military service upon completing his work at MMA he has a distinct advantage in possessing a rather comprehensive knowledge of military subjects.

Over-all the ROTC program at MMA strives to bring out the best leadership from each cadet and thereby assist him in the practice of the principles of leadership throughout his life by application. Such experience will be most valuable in later life, whether in civilian or military profession or career.

Company A

Company "A" has been well represented during varsity competition this year with three cadets on the football team and two on the basketball squad. JV football and JV basketball players from "A" company join their three rifle team members and four swimmers to make their company's presence felt. The majority of the cadets in "A" Company come from the state of Virginia (23) with

eleven from Pennsylvania. The remainder are distributed as follows: Maryland 7, Delaware 4, District of Columbia 2, Ohio and Connecticut 2, New Jersey 4, New York 3, and West Virginia and California 1. Company "A" is commanded by Cadet Captain John D. Price from the state of Maryland. The members of Company "A" are justly proud of their company's fine performance.

Company B

Standing on its record, ready to meet all challengers, is Company "B". Led this year by Cadet Captain Lindsey Turner, the company has displayed only their best in spirit and endeavor.

Cadets of Company "B" come from many states, 19 from Pennsylvania, 12 from Maryland, 11 from Virginia, 4 from New York, 3 from West Virginia, 2 each from New Jersey and Delaware, one each from Rhode Island and Ohio, and one from Venezuela.

Varsity football drew seven of its stalwarts from Company "B". Five other company members were on the JV. Five members made the varsity swimming team and one member was on the varsity rifle team. Varsity basketball had two members from this company.

In intramural basketball competition Company "B" achieved first place. The example being set by Company "B", this year, is a heritage they hope to pass on to those that follow and join the ranks of "Big B" at MMA.

Company "C" members have demonstrated their abilities in all aspects of cadet life. Several of its members have consistently made the honor roll with six achieving the Dean's List. More than thirty-three cadets of Company "C" won marksmanship medals during the annual qualification firing in the fall of the year.

Fourteen Drill Team members owe first allegiance to Company "C". The Company has been well represented in the varsity sports program by several starting members of the football team and one of the outstanding

players on the basketball team.

The company drew its strength from nine states, District of Columbia, and South America. Roll call is answered by four cadets from Pennsylvania, twelve from Maryland, five from New York, one from New Jersey, twelve from Virginia, one from West Virginia, two from Connecticut, three from Ohio, five from D. C., and one from California.

Company "C" has won "Honor Company" twice this year as of this writing and has high hopes to complete the year as such.

Company D

Company "D", until two years ago the Junior School Company, has established itself as one of the most competitive-minded companies in the Cadet Corps. In the years since gaining full status, it has consistently finished at or near the top in rating for honor company. A great deal of esprit de corps is evidenced in whatever phase of military or school events that takes place. Company "D" is made up of cadets from many states with distribution as follows: Virginia 6, West Virginia 6, Maryland 13, Connecticut 3, Ohio 2, Pennsylvania 14, Delaware 1, Illinois 1, New York 5, and Florida 1. Also Puerto Rico 1, Panama Canal

Zone 1. and District of Columbia 5.

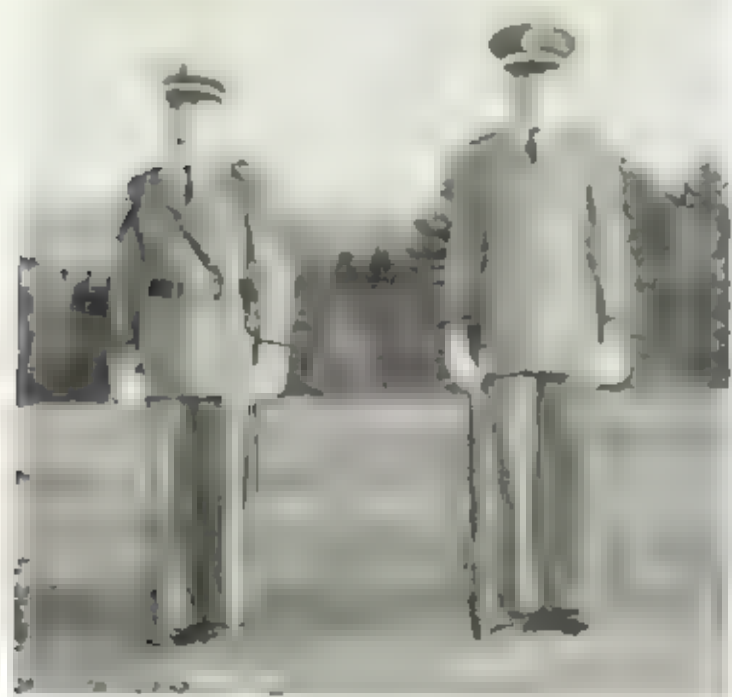

Positions on both the Varsity and JV Football teams were filled by a goodly number of Company "D" members. We are very proud of the achievement of our company and intend to keep up its progress. Band Company

The Massanutten Academy ROTC Band, under the direction of Captain Frank Foti, MMA Music Director, has established itself as a vitally important unit of the Cadet Corps.

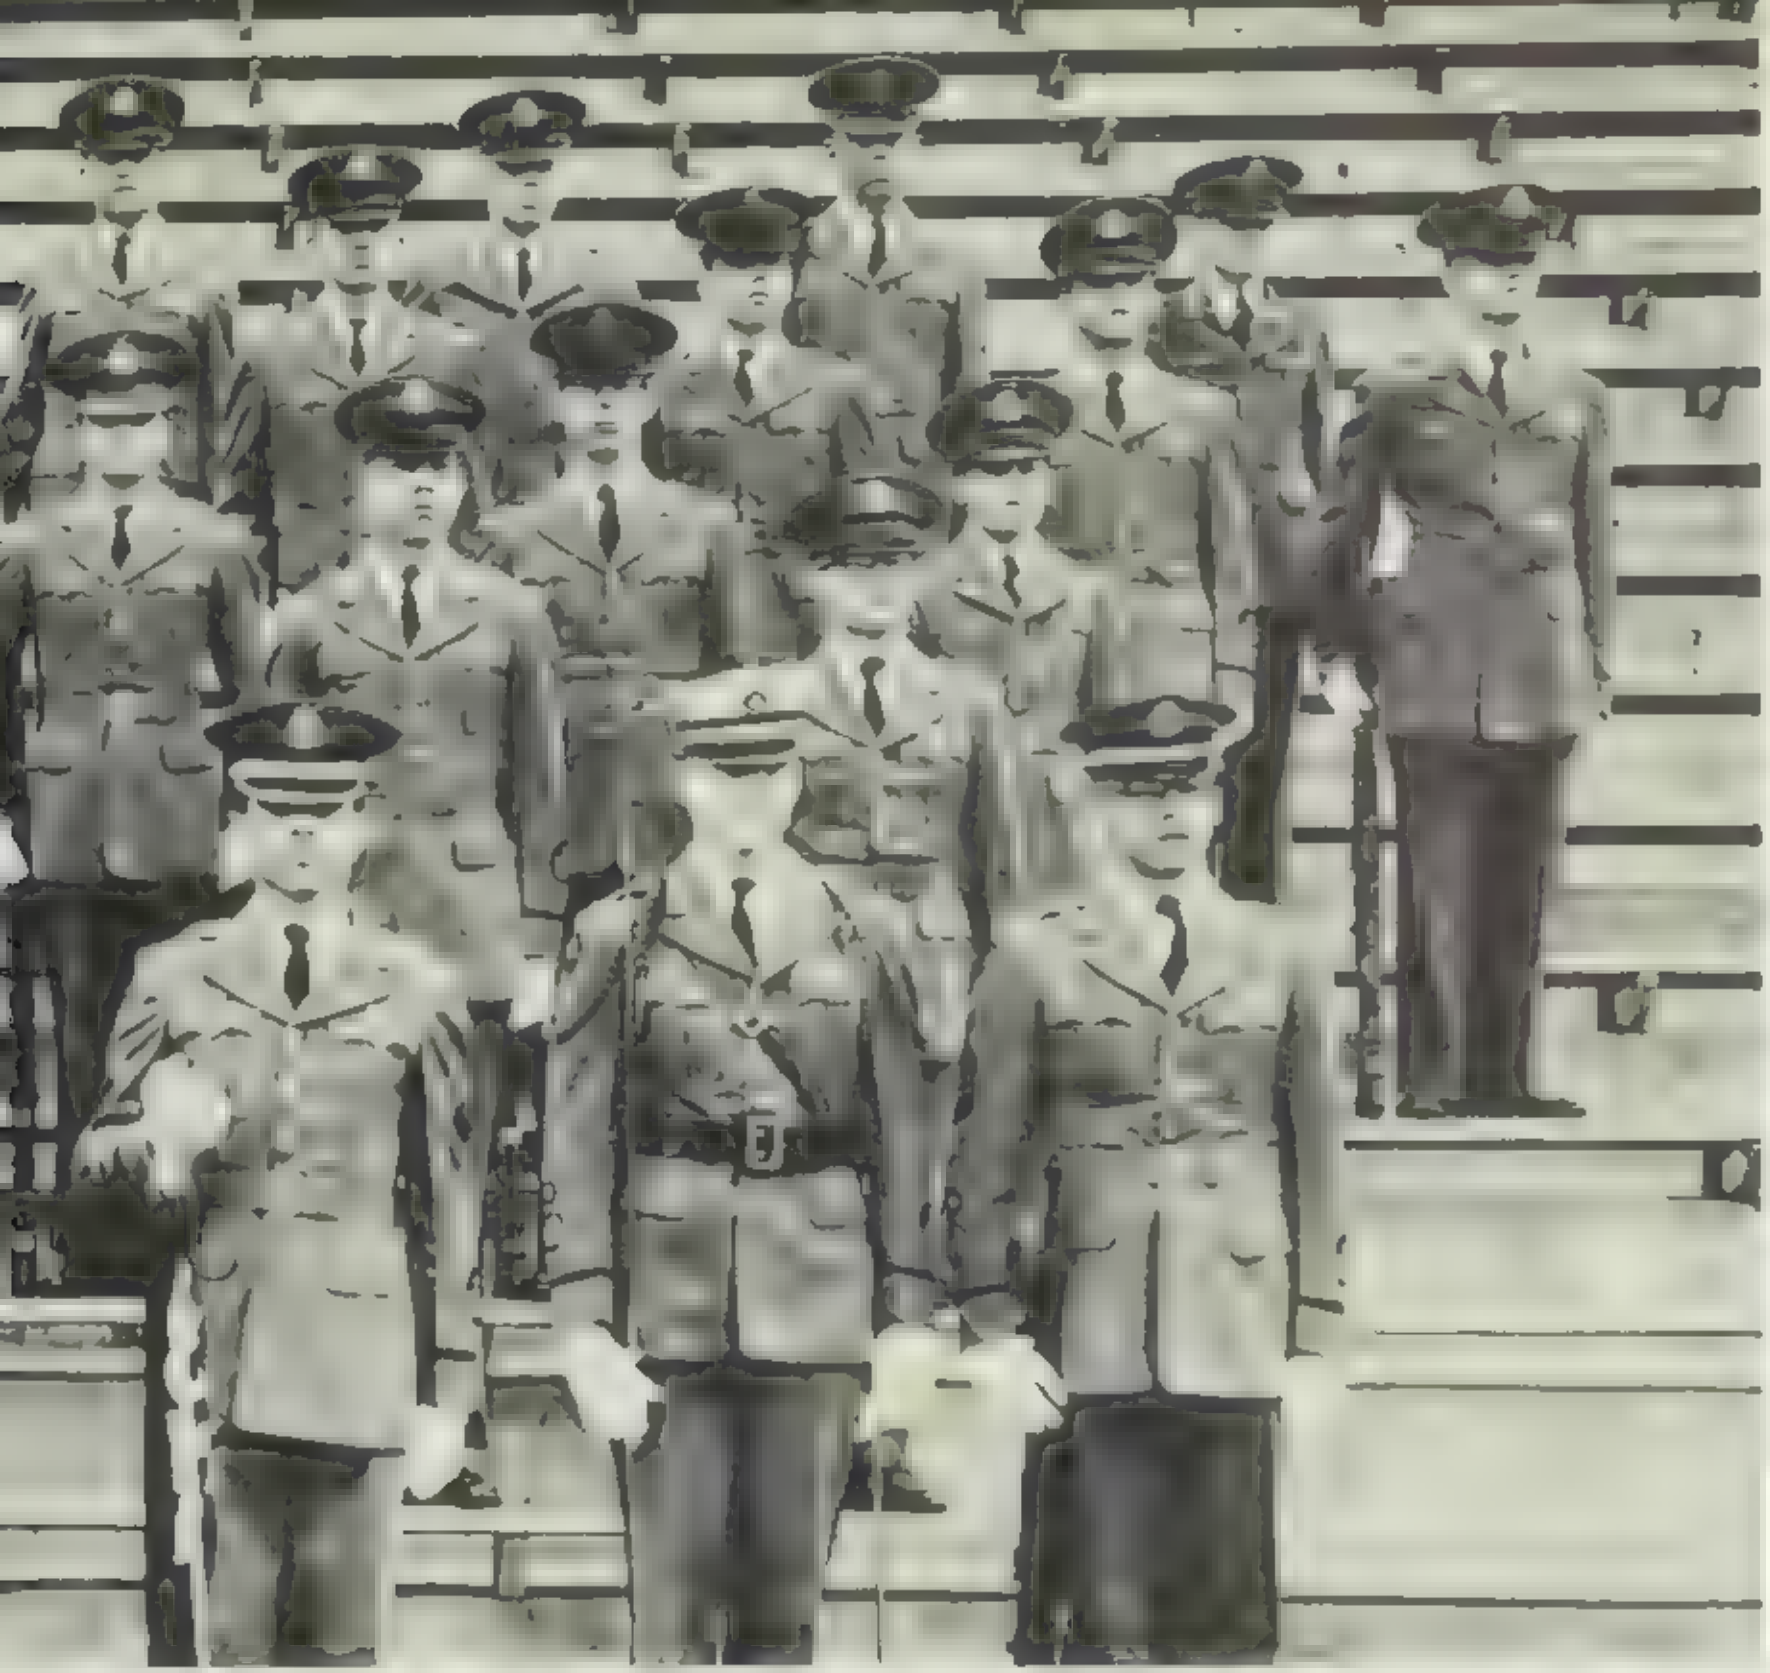

The Band provides music for any and all occasions, but is particularly outstanding during the Sunday Retreat Parades, which are held each Sunday during the Spring term.

Habitually Band Company is called upon to play for the many service clubs in the Shenandoah Valley. Among the finest of the many performances for this year, was the one presented by the Ensemble for the Woodstock Rotary Club.

In addition, each year, the band plays and marches in the Grand Feature Parade in connection with the Apple Blossom Festival at Winchester. In spite of the high caliber of the competitors our band has won many prizes and trophies over the past several years.

A group of the more advanced players make up the Ensemble. They specialize in concert-type performances which are presented on special week-ends and as a part of the Military Ball festivities.

Band Company started quickly this year by winning the monthly "Honor Company" competition. MMA is justly proud of its band.

Varsity Rifle Team

The Massanutten Military Academy Varsity Rifle Team started this season with only two members returning from last year's team. All the new members had never shot in competition before. With no prior experience the team developed rapidly, until, by December they were firing in the 270 bracket of a possible 300 score, with the two senior members firing in the 280 bracket.

During the matches, which included many postal, shoulder to shoulder, and the state meet of all military schools in the league, the season ended with the team average close to the 270 mark.

With a majority of the team returning next year, our sights are set on making Massanutten the top firing team in the entire league and the Military Institute system.

The Thousand Merit Club was organized on February 15, 1959, for the purpose of recognizing the achievement of those cadets who accumulate as many as one thousand merits over their requirements. Since merits are awarded for superior performance in all phases of the school program—exemplary conduct, honor grades in academic subjects, military proficiency, extra-curricular activities, etc.—it is felt that the most outstanding cadets will be those with the most merits.

Any cadet who maintains the required number of merits is automatically a member of the club and is entitled to wear a distinctive white stripe on the sleeve of his uniform, to participate in the steak dinners and other outings sponsored by patrons and alumni, and (upon graduation) to have his name engraved on the Thousand Merit Club Plaque which occupies a conspicuous place in the trophy room.

During this school year, the members of the club were treated to four steak dinners and one trip to a major league baseball game. Following each of the dinners, there were free movies furnished through the courtesy of the Community Theater in Woodstock.

The Gold Stripe Club is an adjunct of the Thousand Merit Club and is composed of those cadets who have accumulated as many as 2,500 merits. At the time this article was written only eight cadets had reached this exalted total: Douglas Fairfax, John Faris, Charles Burgess, David Hurley, Tanies Rontopolous, Frank Sauer, Lindsey Turner, and James Van Evera.

The officers for the current year are David Hurley, *president*; Lindsey Turner, *vice-president*; Gerald DelGaizo, *secretary*; and Thomas Fike, *treasurer*.

MASSANUTTEN 48 BRIDGEWATER COLLEGE JV 6

Opening the 1960 football season at home, the Purple and Gold eleven gave indications of another exciting team by walloping the junior varsity of Bridgewater College to the tune of 48 to 6. A diversified air and ground attack chalked up seven touchdowns with Phil Kershaw scoring 3 of them and Al Crompton 2. Other TD's were added by Joe Gladki and Barry Maruca who went 34 yards with an intercepted pass.

MASSANUTTEN 26 GREENBRIER 13

The "Flying Colonels" traveled to Lewisburg, W. Va. and defeated a strong Greenbrier eleven by the score of 26 to 13. On Massanutten's first play from scrimmage QB Dick Coates threw a pass to speedy Al Crompton on a play that was good for 65 yards and a touchdown. The Greenbrier team went off the field with a 13 to 12 lead at halftime but a spirited second half performance by an aroused MMA eleven

was too much for the host eleven. Ronnie Hudson scored the second MMA TD and end Phil Kershaw scored twice on passes from Dick Coates.

MASSANUTTEN 0 BAYLOR SCHOOL 26

The combination of a long and hard trip to Chattanooga, Tennessee plus meeting a strong Baylor team was too much for the Purple and Gold and they went down to their first defeat of the season by a score of 26 to 0. Playing before a Homecoming crowd the fine Baylor team simply had too much for the hard fighting cadets.

MASSANUTTEN 44 FISHBURNE 0

The "Flying Colonels" put on an awesome display of gridiron power before a delighted Homecoming crowd at Gordon Bowman Stadium to completely crush Fishburne Military School 44 to 0. Although outweighed almost twenty

pounds per man, the local cadets went to work in a hurry and by the end of the first quarter the outcome was never in doubt. Al Crompton scored four TD's, Phil Kershaw got two and Dick Coates scored one enroute to the one-sided victory. It was a fine overall team performance for the "Flying Colonels."

MASSANUTTEN 21

AUGUSTA 42

In a game that will go down as quite an upset, the Gold and Purple eleven were rudely jolted by an underdog A.M.A. eleven at Fort Defiance to the tune of 12 to 21. Although ahead 13 to 0 at one time, the MMA eleven seemed to fall to pieces and Augusta was able to build up a lead and hold off a desperate MMA rally in the fourth quarter. The highlight of the game for Massanutten was a beautiful 92 yard return of a kickoff for a TD by halfback Joe Gladke. Al Crompton scored twice for MMA.

MASSANUTTEN 13 WASHINGTON & LEE FROSH 12

In a tough "rock and sock 'em" football game the "Flying Colonels" defeated a strong W & L team at Gordon Bowman Stadium 13 to 12 on the strength of Jim Harris's extra point. The W & L team had soundly beaten most of the Military League teams so the victory for the local Cadets was not only well deserved but established prestige for the league standards. Al Crompton and Joe Gladke scored touchdowns for MMA.

MASSANUTTEN 6

FORK UNION 26

The "Flying Colonels" got plenty of scoring chances but couldn't take advantage of them and dropped their final game of the season to FUMA 26 to 6. With this defeat Massanutten evened its Military League record at two wins and two losses to finish in fourth place. The "Flying Colonels" were 4 and 3 overall to once more end the season with a winning record.

Junior Varsity Football

At the opening of the season about forty seven varsity Cadets appeared and it is seeking to learn the rudiments of football. It is set for Oct. 7th. The first of their team to face the Jayvee Team of Augusta Military Academy at Ft. Def. Va. August's score is tonight was in the first Half — they outplayed somewhat in the Second Half kept our boys from scoring, and won 6 to 0.

On Oct. 15th the Jayvee Team of Mercersburg Academy came down to Bowman Stadium and the Jayvee Team, 10 to 0, took an easy victory from the Cadets in the 1st Quarter.

The following Friday Oct. 22nd the varsity team of Staunton Military School, Staunton, Va. came to Bowman Stadium and captured the victory from the Cadets. The game was won by the Jayvee team 10 to 0. The Jayvee team made the most of a fumble, converting a Missantun fumble into the only score of the game.

A return game scheduled for Oct. 26th against the Junior varsity team of Mercersburg Academy had to be cancelled

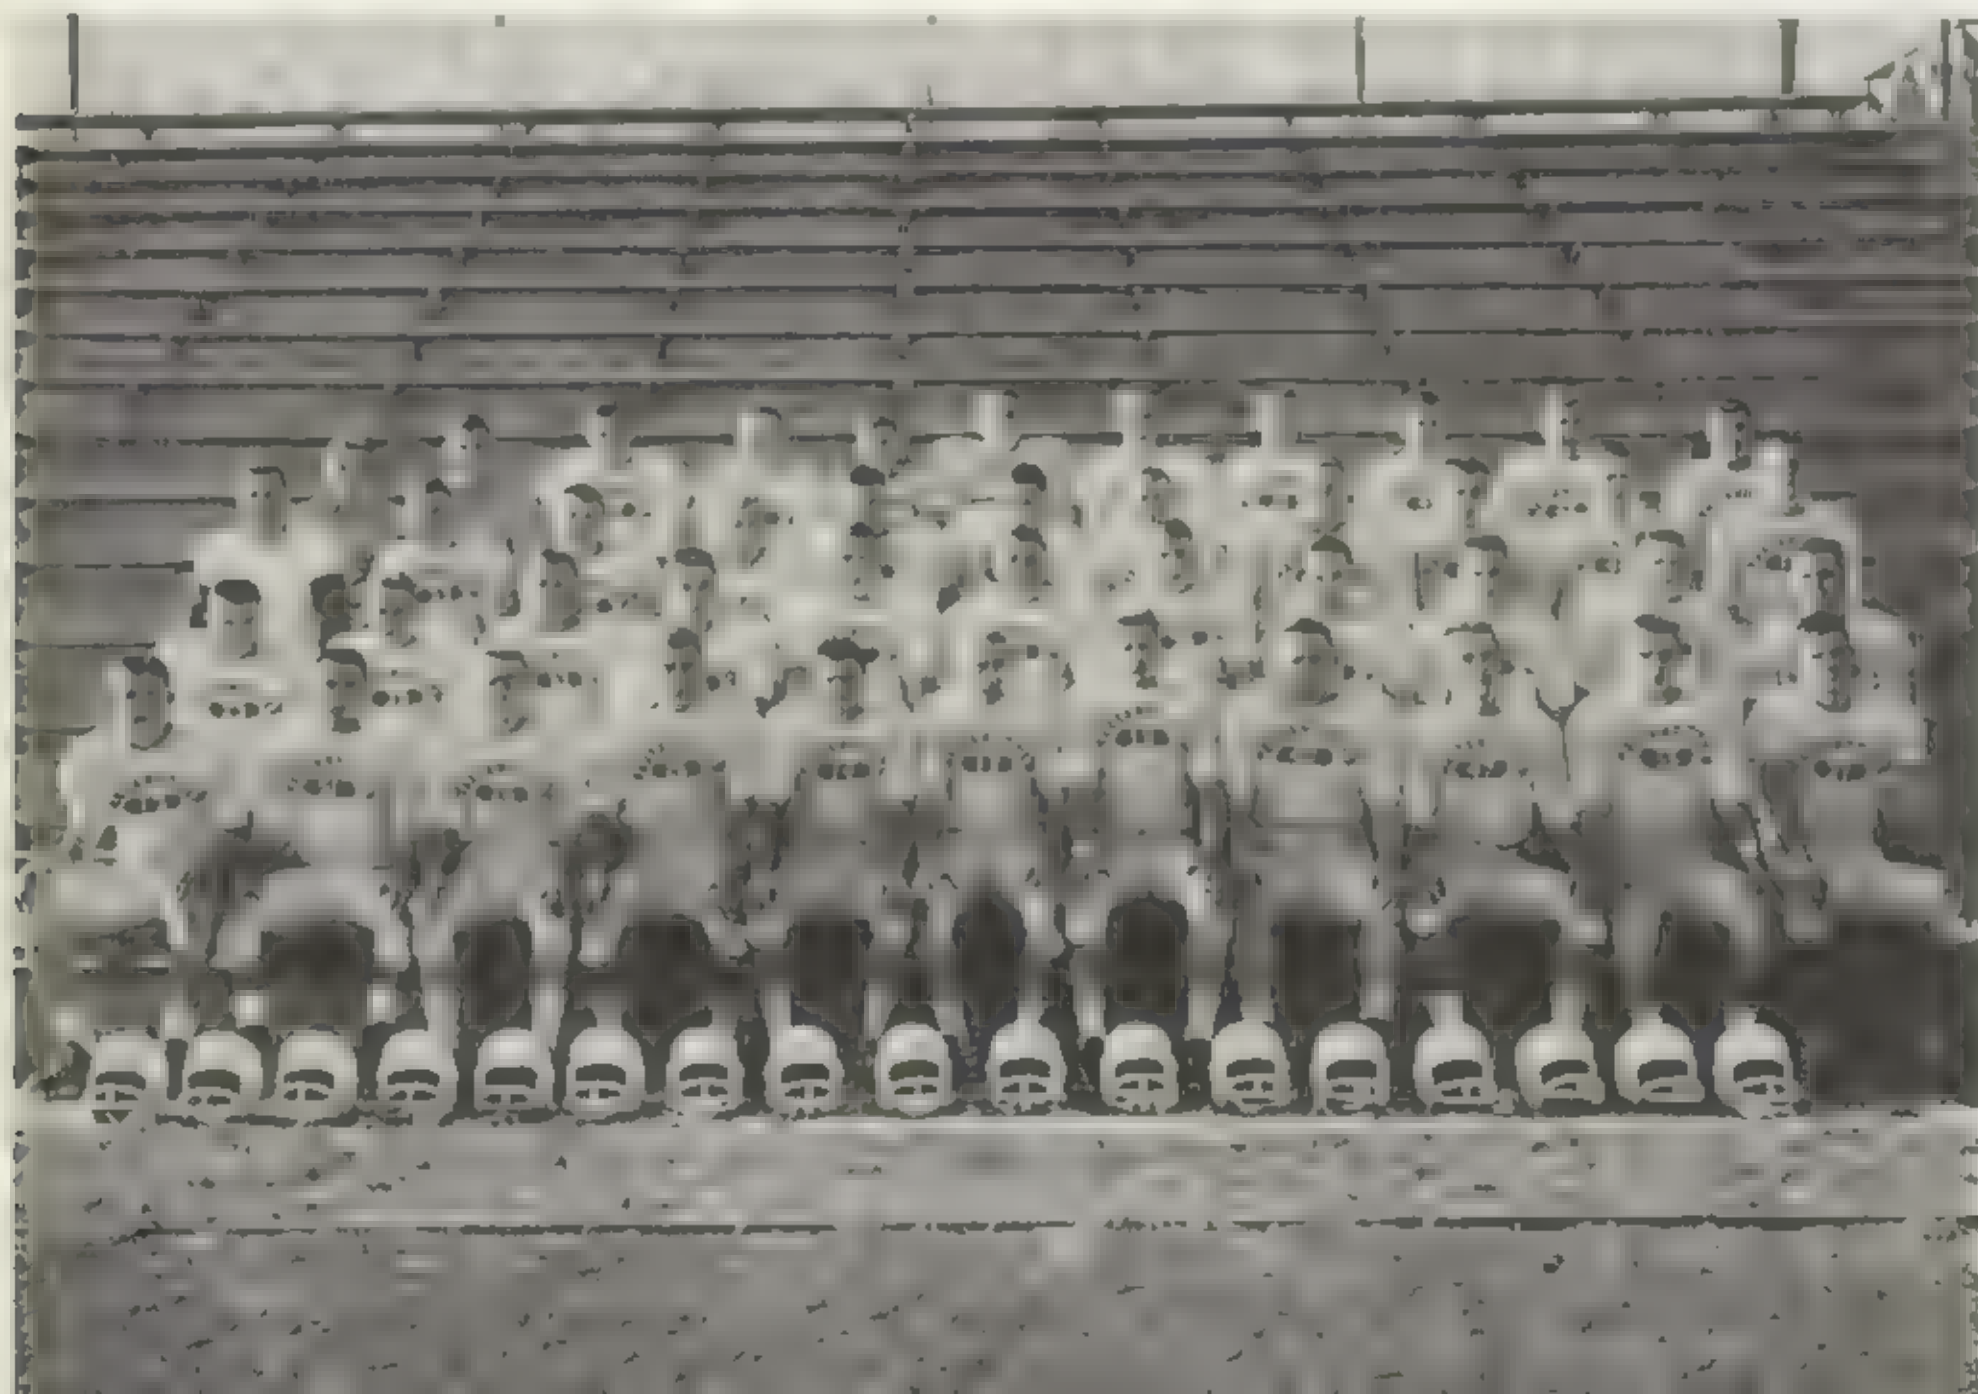

because of conflict with 4 week tests at Mission Station.

On Nov. 1st the Jayvee Team took the Junior varsity football team of Randolph-Macon Academy at Front Royal, Va., was outplayed and lost, 18 to 0.

Defeat was the result for the Jayvee Team, played well but they did not get a chance to drive the offense to get across the goal line of their opponents. However, on Nov. 5th the Jayvee team traveled to Staunton, Va. where they were outplayed and lost to the Hallbrook Football Squad of Staunton Military Academy, 7 to 0. They lost the Junior varsity football team of Staunton Military Academy.

On Nov. 12th the Cadets Capt. Campbell led out to try and get the team to a better victory and return game against the Randolph-Macon Jayvees at Bowman Stadium. A score of 12 to 0 was made and the game was won. It appeared that the game would end in a scoreless tie. Then came a number of fumbles in the 4th Quarter; Randolph-Macon made the most of them, and emerged victorious by a 12 to 0 score.

Swimming

Although the overall record for the season was only four wins and five defeats, it was considered a highly successful season for tankmen. The team finished up the season by winning four of its last five meets and placing third in the conference meet.

Two of the defeats came at the hands of a very strong Washington and Lee Freshman outfit in two closely contested matches, the first hanging on the last events. The other defeats were inflicted by Fork Union and the Conference Champions of Staunton. The success of the team came with a pair of victories over arch rivals Randolph-Macon and another pair over Augusta.

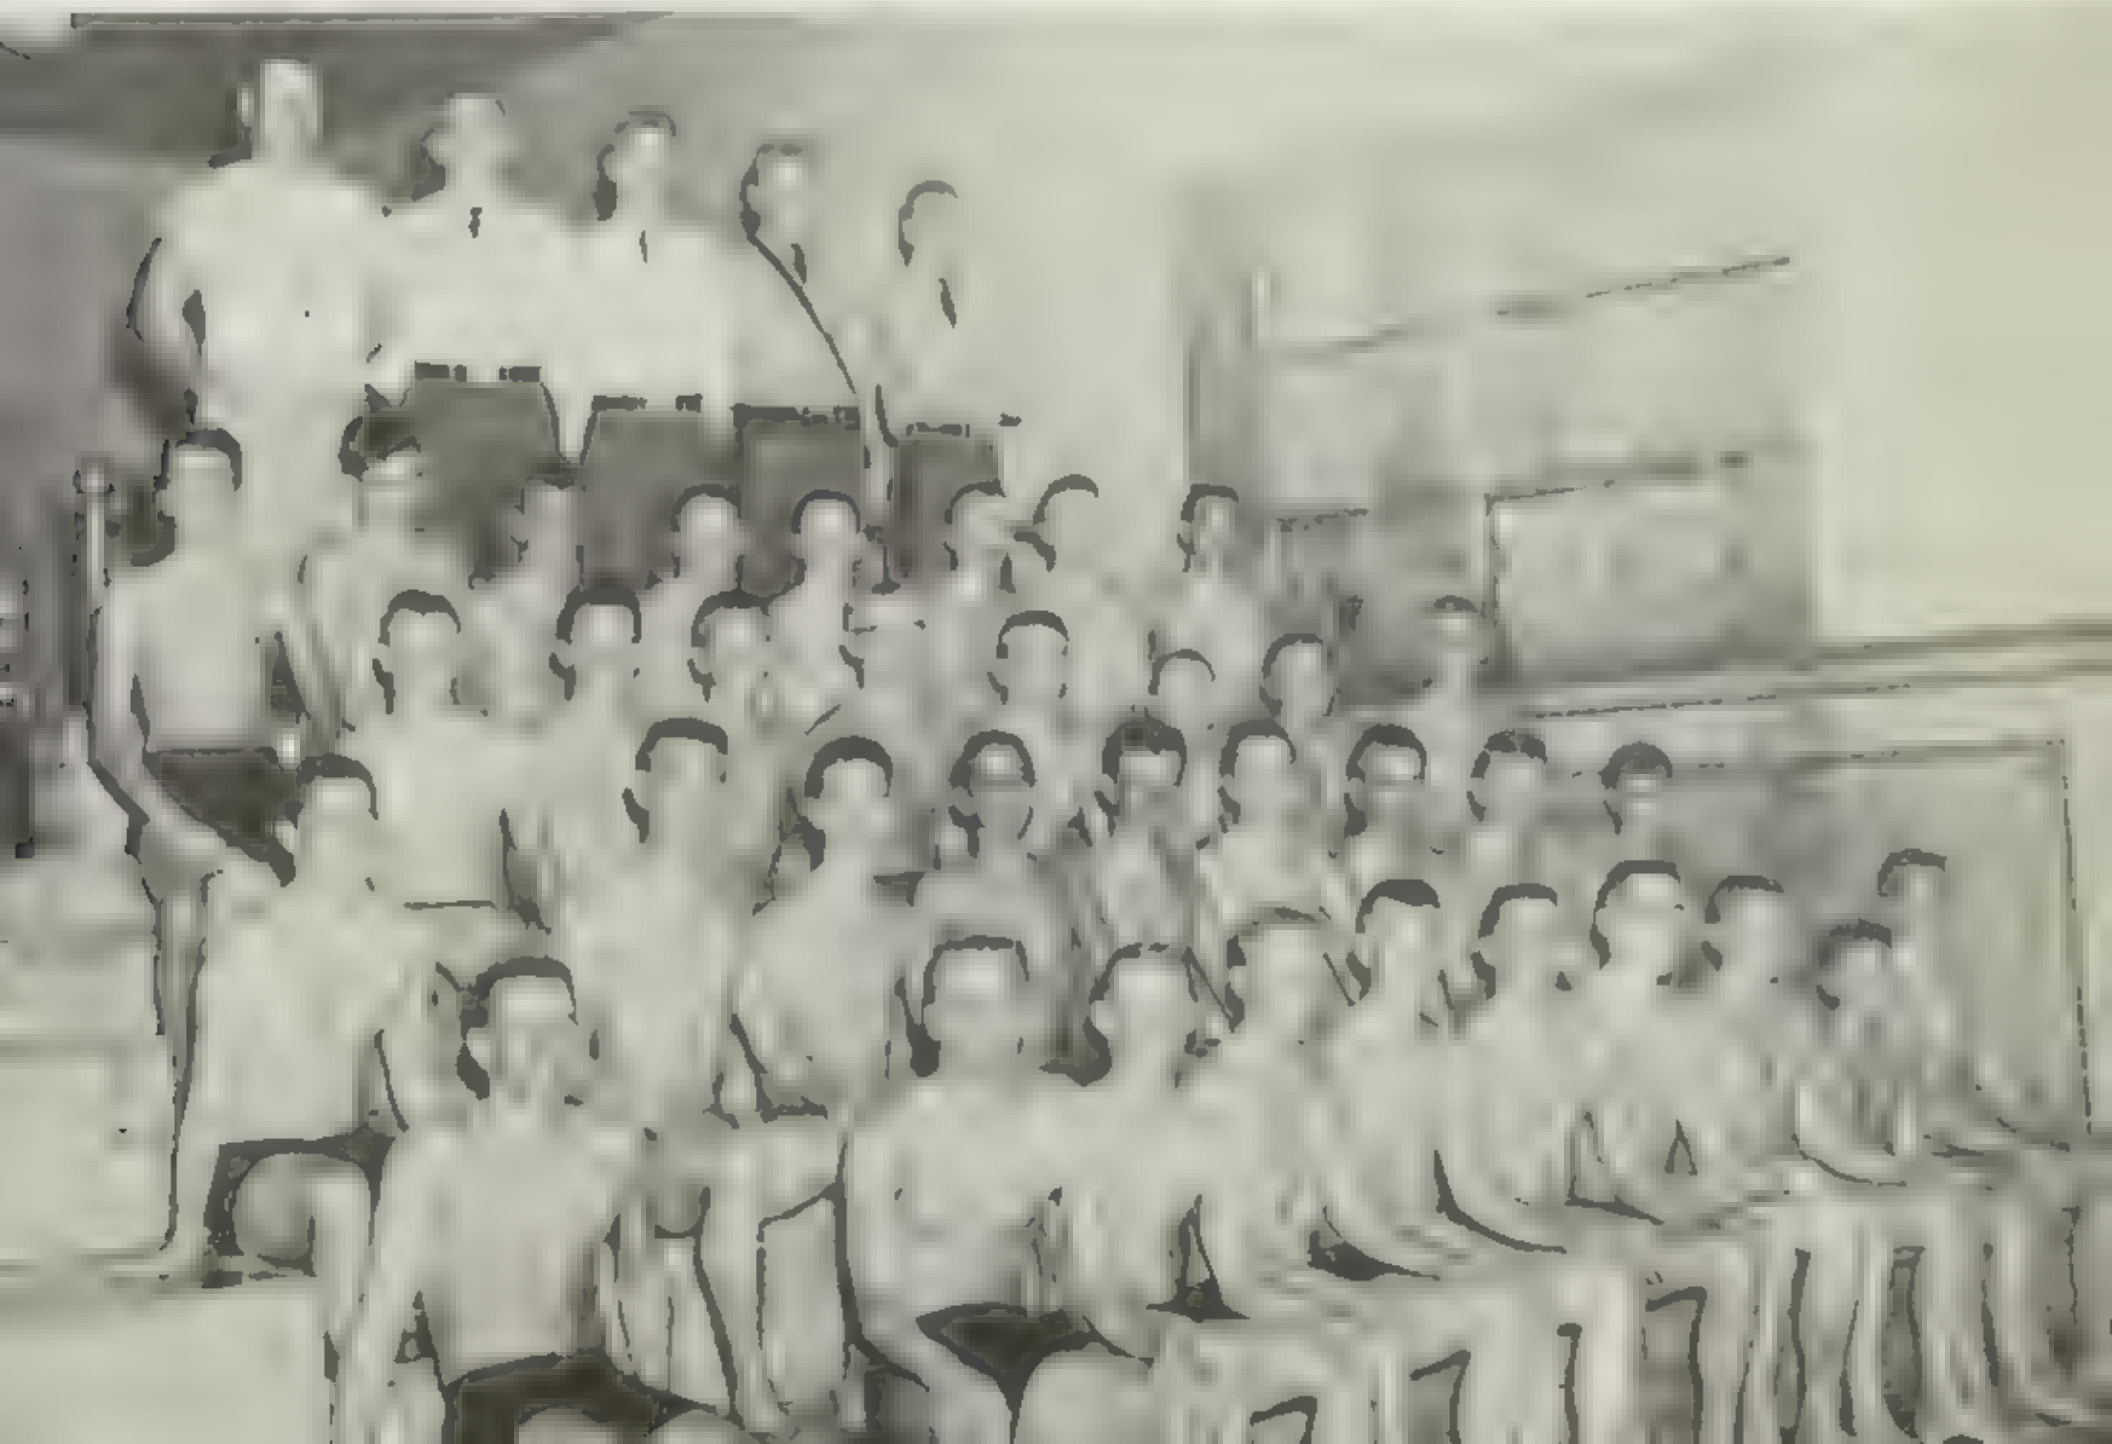

Outstanding performances were given throughout the year by breaststrokes Cabbage and Muller, backstrokes Pilch and Jones, butterfly Ladson and West, freestyle Michaels, Hoppert, Hearne, and Douglas and diving Mead. With only two seniors on the team there is every indication of a top-notch year ahead.

In the first annual Virginia Military Schools League tournament the "Flying Colonels" made a fine showing as after bowing to Staunton Military Academy 91-81 in the semi-finals, the MMA team came back the next night to soundly trounce Greenbrier 74-61 to win the Consolation championship of the Tournament.

During the season, Jim Harris led the MMA

scorers with 415 points for an average of 21.8 points per game. George Sheetz was the next leading scorer with 252 points. Junior Varsity Basketball

The junior varsity basketball team played ten games this season under a new coach, Captain Ben Creed. Though it dropped one game by only a single point, the JV team managed to stay in the loss column throughout its ten-game schedule. It did, however, develop some individual stars like speedy Guard Oscar Martinez, Center-Forward Harry McKinley, and Forward Bill Russek who can, with some effort, make the Varsity squad next season. In fact, when the varsity center was sidelined with minor injuries, the JV team supplied a substitute, Center Al Byham, who became a polished player in the higher company.

The JV team played its first game on December 10th against the JVs of Mercersburg Academy on the Harrison Court, and lost by a 40-56 score.

After Christmas vacation, the JV entered into a four-game series with the JV team of Randolph Macon Academy and lost each game to the Front

Royal boys. The first game was on January 9th in the Harrison Gymnasium and ended in a 53-34 score; the second game was played on the same court on January 16th and resulted in a score of 65-38 in favor of RMA; the third and fourth games were played at Front Royal on January 27 and February 14th and were lost by scores of 56-22 and 48-35. Two games were played against Staunton Military Academy, the first on January 12th at Staunton, and the second in Harrison Gymnasium on February 11th. Both games were lost 38-24 and 65-47. The JV's also opposed Augusta Military Academy on two occasions, January 18th and February 21st, home and away, and again came out on the short end of 47-34 and 46-29. The JV's experienced one heart-breaking contest at Waynesboro on February 4th when they lost to Fishburne Military School by 58-57 yet played their finest game.

The above building is now under construction and will be ready for use during the winter term of 1961-62. It will contain lobby, lounge, rest rooms, dressing rooms, multi-purpose athletic rooms, storage, basketball courts, a stage, and seating capacity for approximately 1000.

During the summer months the present gymnasium will be converted to new dormitory and class rooms.

These additional facilities are in keeping with Massanutten's constant desire to provide for our cadets the finest in facilities and equipment.
